## **LYRICS**

\*\*\*\*\*\*\*\*\*\*

I still hear your voice, when you sleep next to me.
I still feel your touch in my dreams.
Forgive me my weakness, but I don't know why.
Without you it's hard to survive.

Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
I need you by my side.
Cause everytime we touch, I feel this static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat slow
I can't let you go.
I want you in my life.

Your arms are my castle, your heart is my sky.

They wipe away tears that I cry.

The good and the bad times, we've been through them all.

You make me rise when I fall.

Cause everytime we touch, I get this feeling.

And everytime we kiss I swear I can fly.

Can't you feel my heart beat fast, I want this to last.

I need you by my side.

Cause everytime we touch, I feel this static.

And everytime we kiss, I reach for the sky.

Can't you hear my heart beat slow

I can't let you go.

I want you in my life.

Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
I need you by my side
